ABOUT THIS CATALOG

HEALTH ADVOCATES For Older People is a non-profit organization founded in 1985 whose mission is to promote healthy aging. Our programs enrich the lives of older people with the tools, techniques and support they need to age with independence and vitality in the city they love. Our activities include the Healthy Aging Program. It provides senior wellness and socialization activities in the community. A key focus of the Healthy Aging Program is to provide free home safety consultations.

The products listed in this catalog will help you continue living *comfortably* and *safely* at home. This catalogue is divided into five sections: KITCHEN, BATHROOM, MOBILITY, BEDROOM and ASSORTED.

The products in this catalogue are from Amazon (AZ), Bed, Bath & Beyond (BB), Home Depot (HD), and Target (TG). Please note, this is NOT an exhaustive list of all the products that would be beneficial for remaining safe at home. A home safety consultation would provide individually tailored product recommendations.

Prices are not listed for all products as there are various options and price points. Additionally, prices listed are subject to change.

If you have any questions about the products found in this catalog, or any other products, please contact HEALTH ADVOCATES For Older People at (212) 980-1700 or info@hafop.org.

This catalog was updated by Josh Krasner, the Home Safety/Fall Prevention Coordinator at Health Advocates. As an Aging-in-Place Specialist, he has been trained in home modifications to assist those who wish to age-in-place. Josh can be reached at the Health Advocates For Older People office or at josh.krasner@hafop.org
